

Business Client Testimonials

Success Stories Straight from Our Customers

Espy Services has added millions of dollars back to the budgets of businesses throughout the United States every year.

"Espy Services recommended different phone plans that decreased our annual cellular expense by 25%. The most impressive part of working with Espy Services was their knowledge within the phone industry. Everything was done remotely and not time consuming at all. The decreased amount in our phone invoices was immediate and consistent..."

-Purchasing Manager, Almatix, Division of Dubai, Leetsdale, PA

"We have over 70 locations so our telecom costs are considerable and the billing is a complicated nightmare...they [Espy] helped us find a lot of billing errors and opportunities for savings on our voice and data billing...They sent a spreadsheet covering each invoice we received so we'd know exactly where the claimed savings would be..."

-IT Operations Manager, Capital Farm Credit, Bryan, TX

"I am pleased to share that Espy Services is a company true to their word. Espy Services confirmed our costs were the very best available, that we are not paying for any errors or overcharges and Espy Services did this without charging Farm Credit of New Mexico any fees."

-SVP/CFO, Farm Credit of New Mexico, Albuquerque, NM

"My company is a multi-state marketer with over 72 years of business history. It is refreshing to have an organization promise to accomplish something and then do it..."

-President & CEO, Kocolene Marketing, Seymour, IN

"Espy Services was able to reduce our monthly expenses without making changes to the phone and internet services or providers. Our staff had very little work involved..."

-R&D Manager, Detco Industries, Conway, AR

"I would highly recommend Espy Services to other businesses and organizations as one of the few companies in today's market that offers a 'painless' method of cost reduction."

-Mgr. of Material Mgmt, Kaw Valley Electric Coop, Topeka, KS

"Recently staff at Infinity Construction Services reviewed and renegotiated our wireless agreements. Infinity spent a great deal of time and energy working with our providers to achieve the best agreement possible...In a short time, Espy Services was able to reduce our costs nearly \$1,300 a month more than what our negotiated reductions were...Infinity has continued to work with Espy Services in other areas of our telecommunications costs."

-Controller, Infinity Construction Services, Clute, TX

"After providing Espy copies of billings...they were able to find \$15,889.40 in one year savings. In one instance a vendor agreed to return over \$7k in a cash payment for past overcharges. ... Even if you have absolute confidence that your pricing is the best available, I believe nothing ventured, nothing gained."

-Property Owner's Association, Bella Vista Village, Bella Vista, AR

"Many vendors call me on a regular basis to sell something new which ultimately raises our operating costs. It was refreshing to work with a company such as Espy who actually lowered our costs by several thousand dollars...[and] these savings will continue year to year."

-CFO, Trust Texas Bank, Terrell, TX

"I was very skeptical, but as it turns out, Espy Services had the knowledge to actually go deeper and find more money that we would never have been able to find ourselves."

-IT Manager, Sternberg, Inc., Jasper, IN

The Bottom Line

All fees for Espy Services' work are contingency-based with no up-front, administrative or processing fees. The financial value we create for your organization supports our payment...eliminating any financial risk. This approach and unique process have made many happy customers. Our current Google Review rating of 4.7 stars is a reflection of the incredible relationships we have built with our clients...**Call us to find out more!**
