

Healthcare Client Testimonials

Success Stories Straight from Our Customers

Espy Services has added millions of dollars back to the budgets of healthcare organizations throughout the United States every year.

"The savings cut our telecom costs in excess of 30% and we received credits of more than half our annual telecom expenses. We cannot express how pleased we are with Espy Services and encourage all hospitals...to take advantage of Espy Services' expertise..."

-Controller: Dunn Memorial Hospital, Bedford, IN

"Espy was able to review our billing information and reduce our monthly costs by 22%...It is important that our staff, as well as our community, is aware that we are doing everything possible to reduce costs...Without hesitation I recommend Espy Services..."

-CFO: Doctors Memorial Hospital, Bonifay, FL

"We have been pleased with their professionalism, industry experience, and attention to detail; and have retained them to manage Rural Health Care Funding materials..."

-Network Manager: King's Daughter Medical Center, Ashland, KY

"Espy Services' attention to detail and telecommunication cost understanding provided Southeast Health with 14% reduction in our monthly expenses prior to the USAC filing...Currently, Espy Services is in the process of creating Southeast Health's Healthcare Connect Fund consortium...which should provide Southeast Health with a 65% across the board credit on all of our monthly broadband and internet eligible expenses."

-Telecom Manager: Southeast Health, Cape Girardeau, MO

"The many changes and advances in telecommunications costs and in the USAC funding process itself are complex tasks to maintain internally...we decided that AH would be well served in having these tasks managed by an experienced company such as Espy Services. Espy Services clearly stays up to date on USAC policies and procedures; being equipped with such background knowledge gives Espy a much greater ability to maximize the funding AH receives."

-CFO: Adirondack Health, Saranac Lake, NY

"One of the benefits I found in Espy Services is that you valued my time. Espy did all of the work to identify where we were being overcharged then got the errors corrected and the overcharges returned to CaroMont Health."

-Telecom Director: CaroMont Healthcare, Gastonia, NC

"...The process on my end was simple and straightforward...The staff at Espy was very professional but also friendly and open to all my questions and concerns."

-Office Mgr.: Brownsburg Family Medical Center, Brownsburg, IN

"Espy Services provided us a great opportunity to save thousands of dollars a year in telecommunications cost. The staff was friendly and got the ball rolling quickly. I would recommend this company...to save money on your monthly bill."

-IT Director: Meade District Hospital, Meade, KS

"When I agreed to the auditing process I thought that there would be very few (if any) issues to be corrected. However, the findings and corrections you and your staff uncovered have created substantial savings and fund recovery beyond what I thought possible..."

-IT Director: Morgan Hospital & Medical Center, Martinsville, IN

The Bottom Line

All fees for Espy Services' work are contingency-based with no up-front, administrative or processing fees. The financial value we create for your healthcare organization supports our payment...eliminating any financial risk. This approach and unique process have made many happy customers. Our current Google Review rating of 4.7 stars is a reflection of the incredible relationships we have built with our clients...**Call us to find out more!**
