REQUEST FOR PROPOSAL

Banner Health Consortium

Healthcare Connect Fund RFP-2024

1. Statement of Purpose

- a. Established by the Federal Communications Commission's ("FCC") Report and Order released December 21, 2012 (FCC 12-150), the Healthcare Connect Fund ("HCF") is a Universal Service Fund ("USF") program, authorized by Congress and administered by the Universal Service Administration Company ("USAC"). This Request for Proposal ("RFP") seeks services to be provided pursuant to the HCF.
- b. The nonprofit Banner Health Consortium joins together various network opportunities to healthcare providers in AZ, CO, CA, WY, NE, NV. The Banner Health Consortium provides their facilities with an integrated data network connecting acute-care hospitals, surgery centers, dialysis centers, clinical facilities, skilled nursing facilities, rehabilitation facilities, administration, and data centers into one cohesive system.
- c. Banner Health Consortium is comprised of both rural and urban locations, which allows the consortium to meet the needs of patients at any location within the network, even if those patients have to travel to an urban location for specialized care.
- d. Banner Health Consortium is focused on providing a rigid network for telemedicine, which promotes the immediate and accurate diagnosis for patients in rural areas, as well as their treatment.
- e. The urgency of treatment necessitates that Banner Health Consortium maintain the highest quality and reliability of data and networking services available.
